Celebration  
Pack

JOINING UP, COLLECTING  
AND FITTING TOGETHER

BASED ON RESEARCH INTO EARLY YEARS DEVELOPMENT

# Welcome to your Twirlywoos Little Life Goals celebration pack!

The Twirlywoos are always learning something new wherever they go!

Twirlywoos was created with Early Years specialist, Professor Cathy Nutbrown. Every episode is based on research into the patterns, or 'schemas', which children follow to develop their own ideas and thoughts through play and exploration.

This pack focuses on 3 different schemas, and the accompanying activities continue to develop the ideas within each episode.

Enjoy all the fun activities to take part in with your little chicks!
